

Stainless steel folded paper towel dispenser

≡ *Stainless steel folded paper towel dispenser*

- ≡ The folded-paper towel dispenser type E is lockable and made entirely of stainless steel.
- ≡ The level indicator on the side makes it easy to maintain. The dispenser is refilled by opening the front panel.
- ≡ The dispenser's robust design makes it suitable for universal use, e.g. in public, high-traffic or vandal prone areas.
- ≡ The folded paper towel dispenser is supplied with a wall bracket and stainless steel, wire mesh waste-paper basket.
- ≡ Available individually or for attachment to a cleaning basin.
